Message from the Chamber

On behalf of the Greater Picayune Area Chamber of Commerce, I would like to welcome you to our community. Picayune and all of Pearl River County is an outstanding place to live, work, get educated, and grow a business. Whether you're visiting for the day, looking for a new place to call home, or you're already a resident of our thriving community, Picayune is a quaint little town with a big heart and plenty of opportunities.

It is an exciting time to be a member of the Greater Picayune Area Chamber of Commerce. What started in 1935, with a few people and some great ideas, has transformed into a strong organization of businesses in Pearl River County and surrounding communities. We are nearing 400 members, both business and individual, along with 55 sponsors.

We are always creating new networking and promotional opportunities to help our member businesses succeed and grow, including business referrals, monthly networking opportunities, social media blasts, and continuing education. Other great events that allow our member businesses to gain visibility include the Morning Call Breakfasts, Crawfish Cook Off, Annual Chamber Membership Meeting, Golf Tournaments, Annual Chamber Awards, Annual Law Enforcement/First Responders Appreciation Luncheon, and many more.

We continue to partner with local government and other organizations to pursue improvements in the overall quality of life for the city, county, and region, particularly in the areas of economic development, education, healthcare, tourism, community development, and workforce development. Our success in achieving our mission and purpose is due to a collaborative effort from the Chamber Board of Directors, Chamber Ambassadors, Chamber Members and Sponsors, and area professionals.

To our current Chamber members, thank you for your continued support. For those of you considering relocating your business or opening a new business in Pearl River County, you will find that becoming a Chamber member is of great value to you. Our city and county are thriving, join us as we continue to grow.

Sincerely,

Laci Lee

Ambassador Council

Purpose

The purpose of the Greater Picayune Area Chamber of Commerce Ambassador Council is to enhance the visibility of and promote general membership in the Chamber. Ambassadors serve as the public relations arm of the Chamber by developing a two-way communication between themselves and the membership in several ways: Member retention is accomplished through the engagement of members with fellow chamber members, as well as through conversations with members to ensure the Chamber is meeting their expectations.

Who are Ambassadors?

Motivated, enthusiastic, dependable, honest professionals, owners or employees of Chamber businesses who volunteer their time to serve their fellow Chamber members. They are outgoing and provide positive support and encouragement to their colleagues. Ambassadors are carefully recruited to ensure they represent the Mission and Values of the Chamber; as a result, the group is composed of highly respected individuals.
